BLOCK OF THE MONTH PROGRAM

STARGAZING! 92"x92"

This stunning quilt from designer Krisanne Watkins features Aged Muslins. The texture in this unique fabric collection create a depth of interest which "makes" this quilt!

This is not a difficult quilt to make as the patterns are clear and understandable.

This 13-month program will cost \$25 per month, which will include the pattern and fabrics needed to complete the quilt top including the borders, binding AND BACKING.

This program starts in November 2018, but we can get you caught up quickly! Shipping fees are extra for those kits that need to be mailed. Fabrics will match as closely as possible to the picture. Substitutions may occur due to availability of fabrics.
